The training organisation guarantees that the course will take place upon receipt of a total of 3 registrations, at least two weeks before the course is due to take place.

## Contractual documents

The training organisation will send two copies of a professional training contract (for French companies) to the Customer, as required by law. The Customer will then return a signed copy of the contract as soon as possible to the training Organisation, bearing the company's stamp. Due to the customer:

Cancellation notification must be sent by the Customer to the training organisation by post to the following address :

training.ct@cedrat-tec.com or by phone, to +33 (0)4 56 58 04 00 at the latest two weeks before the course is due to begin.

Any cancellation within 2 weeks of the start of the course will result in the Customer being invoiced for 20% of the cost of the course.

For any absence not notified or justified, 100% of the cost of the course is payable. In the event of an employee not being able to attend the training, the Customer has the right to replace that employee by another, of a similar profile and with similar needs.

Prices include teaching costs, documents and course materials, and, for courses taking place on the training organisation's premises, lunch and coffee breaks.

Any course begun is due in full.
